RE: Speaking Invitation
 The Rotary Club of Albuquerque
 Albuquerque, New Mexico
 2, 9, 16 or 23 February 1989

The General Program Chairman and Director of the Rotary Club of Albuquerque, H. William Nordyke, has invited you -- or your designated representative -- to address a Thursday luncheon meeting during February 1989. A suggested topic is "The Current Soviet Threat Regarding The Acquisition of U.S. Defense Technology Through Covert Operations", but another topic of your choice would be agreeable. You could expect an audience of over 300 Rotarians and their guests. Many in the area are retired military people. Recent speakers include Vice President George Bush, former Secretary of Education William Bennett, and Senators Pete Domenici and Jeff Bingaman. Mr. Nordyke suggested that a visit to Sandia National Laboratory or to Los Alamos could be arranged for you during your possible visit to Albuquerque.

Since February is the month for Congressional hearings, I recommend that you decline this invitation. If you agree, a letter of regret is attached for your signature.

Dear Mr. Nordyke:

Thank you for your invitation to me or a designated representative to address one of the February meetings of the Rotary Club of Albuquerque. As much as I would enjoy meeting with your group, I cannot make a further commitment for that period. However, if an Agency representative plans to be in Albuquerque in February, a member of our Public Affairs Office will be in touch with you.

I wish you and all the Rotarians of Albuquerque a most successful year.

Sincerely yours,

William H. Webster R-11

Dear Director Webster:

The Rotary Club of Albuquerque, one of the largest Rotary Clubs in the Country, wishes to invite you, or your designated representative, to be our honored and featured speaker at one of our Thursday noon Rotary Club meetings on February 2, 9, 16 or 23, 1989.

The Rotary Club of Albuquerque has over 450 members. We usually plan on a luncheon attendance of about 300 plus Rotarians and guests. Rotary, as you are aware, consists of the top business and professional leaders of the community and state. New Mexico's Lt. Governor is a member and attends regularly. We also have a number of retired admirals and generals as members. The Kirtland Air Force Base Commander is also a Honorary Member.

Recent speakers at our Rotary Club luncheons include Vice President George Bush; Secretary of Education, William Bennett; and Senators Pete Domenici and Jeff Bingaman; and various CEO's of major Fortune 500 corporations.

A suggested speech topic is "The Current Soviet Threat regarding The Acquisition of U. S. Defense Technology Through Covert Operations". Most Americans have no feel, whatsoever, regarding the magnitude of the KGB Second Chief Directorate Operations in the U.S. and the tremendous savings to the Soviets when they steal Weapon System Information.

While you are here, we could arrange visits and briefings for you of Sandia National Laboratory technology areas of mutual interest.
